# **CRITERION I – CURRICULAR ASPECTS**

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The curriculum is designed by the Punjabi University , Patiala and its effective implementation is observed by faculty members. All departmental heads hold meetings at the end of a session to design workload of the dept. for the coming session. The heads allocate classes to the department faculty so that teachers can prepare lessons well in advance. At the beginning of the session, the syllabus is divided into different units to be covered within stipulated time frame. Unitization of the syllabus is done well in time by the teachers so that the syllabus can be completed within prescribed session. Then the testing and evaluation is done through presentations, assignments and Mid-Semester Tests in a phased manner.Periodic tests are conducted for assessment of students' academic aspect. The time-table committee formulates time table for the coming session so that the curriculum can be effectively delivered. Class lectures are planned in advance by the teachers through effective time

management and the text books prescribed in the syllabus are used for primary reading and reference. For effective delivery of the curriculum, different modes of teaching like online mode through google meet, zoom app, whatsapp, audio-visual aids ,maps, models, PPT presentations, seminars, internet were put to effective use. To provide value based education to students and enhance the overall personality of the students, Educational trips like trips to Museums, Art galleries (fine arts) ,Field trips to industries, Radio stations (Functional English), competitions like Quiz ,Declamation ,Essay ,Slogan writing are made use of for effective student-teacher participation and students learn team work through these activities. Different exhibitions are organized by the departments of Fine arts , Home science and Science departments to give practical exposure to the students and showcases their talent . Other departments like Psychology, Food and nutrition, Physical education, Dance and Geography organize workshops and camps time to time . On special occasions, departments like History ,Sanskrit, Hindi, Political science and Economics deliver special lectures through seminars to give knowledge about current and important issues.

#### 1.4 – Feedback System

1.4.1 - Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes
Employers	No
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

#### Feedback Obtained

Feedback of students on curriculum is obtained in the class rooms and is conveyed to the faculty members concerned.Suggestions from students for better comprehension of topics prescribed are discussed at the departmental level and relevant changes in approach and method are then carried out. It was on the basis of students feedback that various trips were taken to different locations and the steps were taken to make available water coolers in the college. Installation of CCTV cameras at different locations in the college was also incorporated according to the feedback forms given by the students. Feedback of the students is inculcated in the form of suggestions and also the changes are taken care of. The different suggestions given by the students were incorporated in the form of opening of college canteen near the classrooms. For students convenience and according to their feedback, new washrooms were constructed near the PTA block. The changes like planting trees and plants on the college premises and installing sitting benches near the lawns was also provided to give students sitting space nearby, so that they could spend their free lectures time in the lap of nature. According to students feedback the various departments were provided with white boards like the department of

Psychology, Geography, Computer science and many others. Notice boards were put up at various locations in the college to make notices available to students of every department. Installment of CCTV cameras at different locations in the college were also incorporated according to the feedback forms given by the students. Many other changes related to teaching methodologies and time table adjustments according to the timings of the conveyance of the students were done to make it easy for girls to reach home on time. Based on the feedback of the students, the teachers are advised to incorporate new teaching methods like smart-boards, field visits, museum trips to locations present within vicinity. Also some other changes and activities like Annual Function, Farewell of outgoing class, Sports meet, the welcome party of freshers and also the celebrations of different occasions including students from all the streams of M.A., M.Sc., B.Sc., B.A., B.C.A. were allowed as per the feedback received from the students. In the computer labs, the number of PCs were increased in the labs. The feedback is also obtained from stakeholders like parents, teachers, students, alumni every year. The feedback forms are designed according to the type of stakeholders. Like there is a separate feedback from for alumni which contains questions pertaining to the needs of passe out batches. The feedback form of Parents includes questions and suggestions pertaining to the needs of present students. The feedback mechanism has been very helpful in obtaining positive suggestions which makes the institution student friendly and helps in maintaining healthy relationship between administration, teachers and students which is very important for colleges growth.

# **CRITERION II – TEACHING- LEARNING AND EVALUATION**

### 2.1 – Student Enrolment and Profile

2.1.1 – Demand Ratio during the year

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The Continuous internal evaluation of the students is done through a transparent manner. Students are tested on the basis of their classroom teaching in their internal tests which are mid semester tests. They are given oral and written assignments also. Apart from this, teachers evaluate students through quizzes, project files and other creative ways like giving them one word topics to write a story on, caption and slogan writing, summarizing a topic orally which is being covered in the class etc. In order to evaluate students for Internal assessment, the three points serve for reference here which are their marks in the MSTs, assignment/project and attendance in the class. Students are encouraged to attend classes on a regular basis, so that they may be evaluated judiciously.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The college prepares the academic calendar before the commencement of an academic year. The calendar is based on the schedule given by the affiliating university issued before the start of a particular session. The college strictly follows all admission dates as well as the semester teaching period, specified in the university calendar. Schedule for college internal examinations is also prepared and therefore specified in the academic calendar. The date sheet for the same is prepared and circulated normally, a fortnight before the mid semester tests. Dates for other tasks like evaluation of the answer sheets and submission of results of the MSTs within a stipulated time period are also given out. Apart from this, the calendar also has a schedule for other co curricular activities like the talent hunt, youth festival, sports meet, annual day etc. The dates are tentatively given, with the consultation of the head of the institution.

### 2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

https://www.gcgpatiala.in/pdf/Student%20Satisfaction%20Survey.pdf

In addition, there are 6 playgrounds, 1 gymnasium, an NSS and an NCC room each, Language Lab, Health and Yoga center. The college has a well-equipped library with a seating capacity of 150. It has got 3 computers, Internet connections and Inflibnet facility. The library is well stocked with text books, reference books, latest journals and magazines. New books and journals are added every year after consulting the departments and members of the advisory committee .The library also has a Photostat machine and a printer. The catalogue of books is in excel format and students and staff are duly assisted by the library staff to search and locate books. The institution boasts of adequate and updated infrastructure. More computers have been added to the already existing labs. The computer department and the other departments of the college, administrative block are making use of 10 internet connections availed through NMEICT. The college is committed to keep pace with technology. The maintenance and the upkeep of the infrastructure is the top priority of the institution. Each department with practical subject has academic support staff that looks after the labs and equipment .Stock checking, calibration measures and updating from time to time ensure the proper maintenance of the sensitive equipment, material and property of the college. The college has three well-equipped computer labs with internet facility, which has been made available to the faculty and students on the campus only. In addition to this, internet facility

is also available in the library. The departments of Fine Arts and Biotechnology have also been computerized with internet connection. The college has been successful in computerizing some departments. The institution plans to provide computer and internet. The institution facilitates extensive use of ICT resources by encouraging the use of computer aids in teaching, presentations and demonstrations. Projectors are being used in seminars, workshops and extension lectures. In the ICT enabled classroom, the student has direct access to the knowledge available through computer and internet. The teacher, in this case, takes up the role of a facilitator by guiding the students as to what, how, how much and when to access and make use of the ICT facility available to them. The college avails of the National knowledge network connectivity

directly.

Utilization of the support and ideas of the students is the paramount requirement for the prosperity and well-being of the institute. • NSS: National Service Scheme (NSS) is beneficial to both students as well as the society in various different means. NSS helps the student to grow individually and also as a group. It makes the students confident, develop leadership skills, and gain knowledge about different people from different walks of life. Students also learn other skills that help them lead a better life in various situations. It helps them to develop among themselves a sense of social and civic

responsibility. It helps to identify the needs and problems of the community

and involve them in problem solving process. The 03 Units of NSS of our college had adopted the nearby Village KHEDI GUJRAAN, where our students go for a 07 days camp for an Awareness drive to prevent Hay fires. • Alumni Association: Alumni Association is in place to strengthen the relationship amongst alumni. The purpose of an association is to foster a spirit of loyalty and to promote the general welfare of your organization. Alumni associations exist to support the parent organizations goals, and to strengthen the ties between alumni, the community, and the parent organization. Proud alumni often serve as powerful ambassadors for their institutions brand and speak glowingly of their college years. Alumni are nostalgic and love opportunities to return to campus. With smart technology, institutional leaders can create engaging experiences that will bring the campus to alumni. • NCC: The NCC aims at developing character, comradeship, discipline, a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens. The NCC provides exposure to the cadets in a wide range of activities, with a distinct emphasis on Social Services, Discipline and Adventure Training. • Buddy Groups: Buddy groups helps to be a support system to each other and to uplift the bond of friends in need whether it can be an emotional or mental support. It gives the quality of rebuilding of mental strength to face what may come in urgency. Hence, the college council supports them and guide them about the awareness of the dark side of Drugs, our youth is facing these days. We help them and guide them to think and be aware of the situations around you and then react with positivity and all senses keeping the moral values in mind. •

#### 5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

Alumni Association: Alumni Association is in place to strengthen the relationship amongst alumni. The purpose of an association is to foster a spirit of loyalty and to promote the general welfare of your organization. Alumni associations exist to support the parent organizations goals, and to strengthen the ties between alumni, the community, and the parent organization. Proud alumni often serve as powerful ambassadors for their institutions brand and speak glowingly of their college years. Alumni are nostalgic and love opportunities to return to campus. With smart technology, institutional leaders can create engaging experiences that will bring the campus to alumni. Alumni Association of our college aims to give financial Aid to the needy and weaker section students.

5.4.2 – No. of enrolled Alumni:

#### 419

5.4.3 – Alumni contribution during the year (in Rupees) :

39680

5.4.4 - Meetings/activities organized by Alumni Association :

Punjabi books Donated for Book Bank. 33 Dustbins were donated for college campus. Essay writing competition was organised and prizes were given by OSA.

### **CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT**

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The Principal, Heads of Department, Teaching and non -teaching Faculty, Alumni, Parents, Students and representative from the field of Education, Community,

Research and Industries of the respective committees participate in taking the decision for the academic and the infrastructural development of college i.e. College Development committee, IQAC, College Construction Committee and College Staff Council.Head of the faculty from Arts, Computer Science, Dance, Music, Food and Nutrition and Science and Heads of the various departments look after the regular administration, teaching and research, issues of the students and staffs of the department .Staff Council and IQAC take care to see that the vision and mission of the college are fulfilled. The college ensures decentralisation and participative management at every realm. The heads of departments are given full freedom in managing their own affairs. The vision and mission of the college correlate with the national policies of higher education and are based on education as a means of development of the nation and social reformation. The college translates its vision and mission through programs and activities such as NCC, NSS, Soft Skills Development Program, Welfare Schemes, Sports, Career Guidance, etc. The college promotes a culture of decentralization and participative management through various academic and administrative committees. The college encourages the faculty to participate in Refresher, Orientation, and Faculty Development Programs to complete their Ph. D. Faculty is allowed to attend seminars, workshops, and conferences. The College has introduced e-governance in administration, finance, accounts, student admissions, examinations and student-teacher management as well. The institution has effective welfare measures for teaching and non-teaching staff. Government college for Girls, Patiala College encourages and motivates a culture of decentralization and participative management by involving staff members in a number of administrative roles. 1) For the participative decentralization and governance, the Principal has appointed the Vice Principal, and Head of the

departments and provided administrative as well as academic autonomy and mobility for the effective governance. 2)Before the commencement of each academic year various college committees are formed by IQAC under the guidance of the Principal. 3)IQAC does the planning and evaluation for quality assurance in the college and organizes meetings periodically throughout the year 4)The college committees are responsible for admission, time table, examination, purchases, welfare of students, organization of extension activities and prepare the working strategy for the effective functioning of the college.

6.1.2 – Does the institution have a Management Information System (MIS)?

#### No

#### 6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

	•
Strategy Type	Details
Admission of Students	? Admission of students through merit basis after counseling. Rules of state government strictly abided by. ? Reservation policy is on the basis of government approved category wise reservation policy.
Teaching and Learning	The entire edifice of higher education structure aims at improving the quality of both - teacher and taught. Our college provides awareness to the teachers to update their knowledge as well as understand the new methodologies of teaching. The college allows them duty leave to participate in such seminars. To

	<pre>improve the quality of learning, students are encouraged to participate in the activities organised by various departmental societies and clubs. Remedial classes for under-performers and enrichment classes for meritorious students are also organised by the college.Infrastructural support is always needed to improve the delivery system. Our college not only updates the existing infrastructure, it always augments the facilities for the improvement of class-room transaction practices.Implementing student-centric learning environment with group discussions, projects etc</pre>
	Some of our faculty members are pursuing their research work leading to the degree of Ph.D. They are allowed to attend their coursework classes. Teachers of our college are also working as research supervisors and this experience enriches their understanding of the subjects and benefits our students.Members of the faculty are actively engaged in research work. They regularly present papers at National and International seminars which are published at the National and International level. They have also authored books.
	E-resources, books, INFLIBNET and other inputs needed for improving the efficiency of the staff is readily provided without any delay. Smart class room is added into the infrastructure. Website links for various topics covered in the curriculum are supplied to the students for additional useful information.NPTEL links are provided on college website and course materials from subject experts are used by our faculty to enrich their knowledge.
Industry Interaction / Collaboration	Many departments like Food Nutrition and Home Science have tie-ups with the industry where-in teachers and students collaborate with different companies for consultancies, internships and projects. Practicing managers from different industries are invited for expert talks. Through these interactions, the college contributes significantly for the empowerment of the students by providing them employment opportunities.
Human Resource Management	The quality of human resource is

		managed effectively. The requirements
		for specific jobs are appraised and
		used for staff recruitment. The
		performance is monitored and efforts made for steady upgradation. The
		quality of human resource management is
		assessed by the Principal through
		accountability practices. Personal
		files and data of all employees are
		well recorded and maintained. The
		morale of an employee is boosted by
		encouraging good work. Teachers are
		encouraged to get the feedback forms
		filled by students for self appraisal.
1	Curriculum Development	In order to achieve vision and
		mission of the College, the curriculum
		development process focuses on the
		needs of society. The requirements are
		received through formal feedback channels and informal interactions with
		the members of different sections of
		society. The course outcomes are
		outlined in alliance with the programme
		specific outcomes which further ensure
		the fulfilment of Programme outcomes.
	Examination and Evaluation	All students have to attend 75
		lectures which is mandatory for them to
		appear in the university
		examination.There are MST (Monthly Semeseter Test) in which they have to
		secure a minimum fixed percentage.When
		it come to sports there are
		opportunities galore.A student can show
		her prowess at different levels like in
		ter-college, inter-university, All-India
		inter-varisty National and
		International competitions.Full
		transparency is followed in Internal Assessment calculation and itis duly
		shown to and got signed by the students
		before submitting to the examination
		branch.
	6.2.2 – Implementation of e-governance in areas of opera	itions:

E-governace area	Details
Planning and Development	All major decisions regarding Academics and Administration are displayed on the College Website and on Noticeboard. Students and Teachers can give their suggestions regarding these matters.
Administration	All the notices are displayed on the LCD installed and at Noticeboard at various places in the college campus.Teachers are also informed about important information through groups on

	Social Media. Students can give their suggestions, register grievances in the respective online tutorial groups.
Finance and Accounts	The Ledger book, Balance sheet, Cash book and Profit Loss account are handled through state government portal.
Student Admission and Support	The details of all the students at the time of admissions are entered into student database. Fees can be deposited online into college bank account.Admission is offered to students from other states also.
Examination	Students can check notices regarding last dates of filling the examination forms, date sheets and result updates from College Website. Use of all infrastructural facilities is made for the conduct of examinations which include computer systems, printers, scanners for smooth functioning of examination branch.

6.3 – Faculty Empowerment Strategies

<ul><li>6.4 – Financial Management and Resource Mobilization</li><li>6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)</li></ul>									
resources .It is the responsibility of the bursar to supervise the economical and judicious use of available funds. The committees make purchases and ensure optimum utilization of funds .All purchases are done following the procedure directed by the government. Being a government institute, the external audit is done by representative of the Punjab government. The audit for PTA, self finance course and UGC funds is done by a private registered CA engaged by the college. Major sources of funding include Annual Budget allotment by the Government, UGC Grants, RUSA Grant, fee collected from the students and PTA fund. Though the college depends on government grants yet it tries to make use of various UGC schemes for elevating the standard of higher education. The college responds to grant offers positively and drafts proposals to elicit maximum benefit out of them. The college has got substantial funds under RUSA for building, furniture and lab equipment. The institution attempts timely and proper utilization of funds to ensure the release of further installments.

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

 On 5th June 2016, on the occasion of Environment Day, saplings were planted in our college campus. 2. On 22nd August 2016, 67th Van Maha Utsav was celebrated. 3. On 30th August 2016 saplings were planted in the college campus under 'One Tree One Life' campaign and awareness rally was organized under Swachh Bharat Mission. 4. On 29th March 2017, a programme on 'Save environment' was organized to motivate the students to save nature and natural resources. 5. Cleanliness campaigns and awareness rallies were organized to save environment in the college campus and a nearby village Kheri Gujjran by the NSS department of college during three 'one day' and one 'seven days' NSS camps. 6. On 21st March 2017 on the occasion of International Forests Day, some herbal and medicinal plants were planted in the college campus and botanical garden.

#### 7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

16-17 Best Practice -- I 1. Title of the Practice Psychological and Behavioral Counseling for College Students 2. Goal The primary goal is to facilitate and maintain mental health and positivity among the girl students. The college

primarily caters to girls from the rural areas and under-privileged sections of the society. They have their own set of problems in the present times of great social change and lack the much-needed support system enjoyed by their urban counterparts. So it becomes imperative for the institution to look into issues other than academics and ensure their psychological wellbeing and growth. The Psychology Department of the college came up with the idea of holding a counseling session for the students from all streams. 3. The context The counseling session is open for students of all streams. It is especially beneficial for poor and marginalized students who suffer on many fronts and have no access to such a facility. Apart from the problems of growing up and anxiety over their careers or future, girl students also face many domestic problems and consequently suffer from many complexes. To make them aware and to help them overcome all of these, the college has adopted this regular practice of organizing a counseling session every year. 4. The Practice The counseling session is organized by the students and teachers of the Psychology department of the college. The anxiety level, the personality type and locus of control of students is judged with the help of psychological tests (standardized). Thereupon the students are administered psychotherapy through informal interaction and subsequent identification of their problems. Students so identified are also tracked later and follow up action taken. More than 50 of students and a few faculty members seek help. However it being a voluntary exercise, some students shy away and evade participation in the counseling session. This proves to be a limiting factor. 5. Evidence of success The department has been able to help thousands of students over the years by enabling them to vent out their feelings, overcome their anxieties and have a clearer insight into their personalities. They have also been guided about their aptitude. The evidence of success lies in the fact that the students appear more confident and sure of themselves by the end of their degree course. Also they perform better in academic and co-curricular activities. 6. Problems encountered and resources required The programme does not include any financial commitments. The staff and the students of the psychology department act as resource persons. In fact the students get a first-hand experience of counseling their fellow students. The only problem involved is the reluctance of some students to share. Best Practice II 1. Title of the Practice: Mentor-Mentee System(Tutorial Group System) 2. Objectives of the Practice: Mentor Mentee System goal is to establish a trusted relationship between the Mentor and the Mentee. It is a formative period where the knowledge, skills and attitudes acquired during a program of education are applied in practice. It is therefore a period when a mentee is in need of guidance and support in order to develop confidence and competence. Mentors act as guide by sharing their experiences of challenges and assertions required to progress through personal and professional life to reduce anxiety or concerns and act as role models for students. The mentor acts as a 'Single Point of Contact' for students on all matters. They fulfill their function through formal and informal interaction with their student mentees at various opportunities. 3. The context This activity has been started for the need for better communication between students and teachers in a more informal and open manner. Of course, there is sufficient communication between students and Teachers in and out of the classrooms. It is noticed that very often such occasions are used by students and teachers to deal with matters related to the course of study. Tutorial groups have been a regular part of our college. Students in each class are divided into groups of fifty and each group is put under the guidance of a teacher. The tutorial groups meet for one period every week and discuss various matters related to the students and the college. The teacher in charge of a particular group is also considered as the mentor of the students coming under his supervision. Here the teachers do get a chance to understand what are the problems and needs of the students. As the college has large number of students in Humanities classes, so it was not possible for the teachers to interact with

them individually. In this context, it was felt that there should be some forum in the college where all students and teachers of college can meet and share their problems and needs in an open way so that appropriate actions can be taken to solve the problems. 4. The Practice: This is an occasion when students are supposed to give their feedback on the various curricular, co-curricular and extra-curricular activities undertaken by the college. Students can also give feedback regarding the services they get from the college office and the library. If the students need any additional infrastructural facilities inside the class or elsewhere in the college that also can be discussed in this forum. Always students are given prior intimation through college notice before convening a meeting so that everybody can be present on the occasion. Usually it is organized on a working day during the college hours. Duration of a meeting is one period of 45 minutes. In the beginning of the open forum the Tutor explains the purpose of the meeting and afterwards the students are given time to speak out openly. Attendance is marked on the register by the teacher. The Tutor signs on the College ID cards of the students to ensure that all the students are carrying them and properly maintained by them. After the tutorial period if any issues are raised by the students they are brought into the notice of the Principal. 5. EVIDENCE OF SUCCESS Mentoring has helped the students to tackle smoothly their challenges and difficulties in day to day life. Mentoring has helped the mentor to know and relate with the students. These are some evidence of success: • Improvement in mentees discipline, interaction and communication skills. • Improvement in students' attendance. • Establishment of a vibrant relationship between teachers and students, which has provided a congenial atmosphere in the class room as well as in the campus. • Establishing a trusted relationship between teachers and parents. 6. PROBLEMS ENCOUNTERED AND RESOURCES REQUIRED The diversity in students' background and upbringing i.e. lack in the art of effective articulation, introversion, indifferent attitude, etc. In some circumstances, an introvert student might not be able to express clearly. For informal interaction, mentor has to put in extra efforts for same. The entire mentoring approach is built on personal interactions with the student and parents.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

https://www.gcgpatiala.in/pdf/Best%20Practices.pdf

#### 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The primary objective of the institution is to provide education to an optimum number of girl students resulting in their empowerment. There is a conscious, earnest and untiring endeavor on the part of the college to develop its students intellectually, morally, physically and aesthetically. In addition to this, the college is imparting higher education to the girl students drawn from weaker sections of society as well as remote and backward areas of the state and neighboring states. The college is also doing a great deal to promote Punjabi language and culture. It is also involving its students in community welfare activities through NSS, Red Cross, NCC and Youth club thereby also inculcating a sense of discipline and dignity of labor in them, so that they eventually grow into responsible, useful, confident and mature members of society. By educating young minds, our end goal is to enable them to achieve economic independence and a decent social placement. Students who have financial constraints but otherwise have shown good results are given monetary assistance, so that they are not deprived of opportunities.

#### 8. Future Plans of Actions for Next Academic Year

The Institute is determined to excel academically in the upcoming session. IQAC plans to uphold more Extension Lectures and Enrichment Programs for both students as well as teachers. First and foremost priority of the Institute would be increasing the number of admissions in the next academic session. Also, new staff will be recruited against the vacant posts so that the students do not suffer a loss of their studies. We intend to improve our feedback system too. Efforts will be made for the complete automation of the Library. The college administration also plans to add new courses which shall be career oriented and helpful for the girl students. Along with this, Platinum Jubilee celebrations will be held next year with great enthusiasm and fervour. We also plan to beautify the campus with a special focus on landscaping and paving the pathways.
